At St Paul's Catholic Primary School, we believe that by having the highest expectations of all learners, the highest possible standards will be achieved. The pupil premium is additional funding given to schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers, support children with Parents in the armed forces and provide funding for Looked After Children (LAC) and former Looked After Children. The purpose of this additional funding is to raise aspirations, improve progress and increase achievement for these pupils.

Summary of the Main barriers to Educational Achievement

- Significant impact on the learning of Disadvantaged Pupils due to the Global Pandemic (Covid-19) and the non-attendance at school for many disadvantaged pupils, during Spring 2021.
